Your Instructors

Phil Smith

Phil Smith of Abracadabra Productions is a full time professional magician with 30+ years of experience and 20+ years in teaching the Art of Magic. For the past 19 years he has been teaching magic during the "Festival of Creative Youth". Phil started with a magic kit at the age of 10 and wishes that he too could have had lessons from experienced magicians like your child will receive!

Bernard Blais

A card trick showed to him by his father was the catalyst of Bernard's interest in magic. At a young age, he would perform for friends, family members and classmates setting up shows for every occasion ranging from Halloween parties to school talent shows. Bernard designed a magic course for the Y.M.C.A. Of York County and was often the guest magician during Phil's classes.
